SHINY NEW MAILBOXES!

Indeed, it was time to replace our tired, worn out mailboxes. It's been a bit of a project over the past few months but well worth it. A big shout out to Ashleigh for doing a fantastic job with organizing the entire effort and to Brian for helping with the installation.

INSPECTIONS

The rules Committee will soon inspect the community for all violations. Now is the time to fix things and avoid a violation and possibly a fine. Check your fences, gates, landscaping and roof, etc.

UPCOMING POOL CLOSURE

We plan to give our pool a much-needed facelift in the coming winter months. The pool will be closed during this process. We will keep you posted.

SOLICITING

We do not allow soliciting in our community. If you observe this, please call the Pembroke Pines non-emergency number (954-431-2200) and report it to the East Lakes office. We received reports of a break-in recently and we ask our residents to be vigilant.

HOLIDAY DECORATIONS

We will be having our holiday decorating contest this year so time to start thinking about new ways to 'wow' your neighbors with festive cheer.

Never too early to remind...

Christmas lights must be at least 6 inches off the ground because of lawn cutting.

Neither East Lakes nor 100% Landscaping will be responsible for any damages done to any Holiday decorations.

As you start to walk on the way,
 the way appears. *Rumi.*

Not all those who wander are lost.
